

Hanover, N.H.
Apr. 2. 1889 -

I would like to suggest
that the new edition of
the manual have added
to it a Glossary of terms
as is the case with
Coulters Rocky Mt. Flora.
It would be a great
help to my students
who might use the Man^e
alone, i.e. when not bound
up with the Lessons -
The printers have the plates
but whether an addition
of 28 pages might not
add too much to the
size & expense or be undesi-
rable for other reasons
I don't know.
